100% EMPLOYEE OWNED
OLIVER'S MARKET
ESTD. 1988

This Thanksgiving, we're reflecting on all we have to be grateful for. Since Steve Maass opened the first Oliver's Market in 1988, we've been proud to call Sonoma County home. Today, as a 100% employee-owned, local, independent grocer, we're honored to continue that legacy and excited for what lies ahead, including our fifth Sonoma County location.

We're especially thankful for our dedicated employee owners, loyal customers, local producers, and the community that makes everything we do possible.

Thank you for supporting Oliver's and helping us build a bright future together.

Warm Thanksgiving wishes from all of us at Oliver's.
