

As a Social Purpose Corporation and a Certified Green Business, at Oliver's we work to make a difference for our employees, our community, and our environment every day. As we celebrate Earth Day this year, we are honoring companies who join us in their quest to make a difference in the world's future as they bring their products to market. From local farmers practicing cutting edge techniques to eco-conscious brands reducing their carbon footprints through innovation, we've curated a selection of producers who give back, conserve, or build sustainability. When you purchase these outstanding products at local, employee-owned Oliver's Market, you are supporting sustainable business and a happier, healthier world.

TREUR KAAS BLACK TRUFFLE GOUDA \$21.99/LB.

“Hailing from the Netherlands and aged just 8 weeks, this creamy gouda is crafted from organic cow’s milk raised on family farms. Italian black truffles infuse the supple paste with an intoxicatingly rich earthy aroma. Delicious to enjoy on its own or melt it into mac and cheese, on top of pizza, or anywhere you want a burst of rich umami flavor.”

NICASIO VALLEY CHEESE CO. ORGANIC FOGGY MORNING \$19.99/LB.

Foggy Morning is a hand ladled fresh farmer's style cheese made using 100% organic farmstead cow's milk. Wonderfully creamy and mildly tangy, the texture is soft and spreadable. Pair with your favorite light bodied wine or hard cider, dress a salad, or simply enjoy as is.

PRIME ROOTS KOJI-MEATS CRACKED PEPPER TURKEY OR SMOKED HAM \$14.99/LB.

"If you're looking for a lunch meat that can have a direct impact on lowering your own carbon footprint and be delicious, we have the perfect fit. Prime Roots Koji inspired lunch options. We carry the Koji-Peppered Turkey as well as the Koji-Smoked Ham. Prime Roots product uses 92% less water than animal meat. Made from Koji, an ingredient that is like mushroom roots, these meats are grown through a fermentation process similar to beer or wine. Unlike many plant-based alternatives, Koji-Meats do not contain gluten, soy, GMO's or artificial ingredients. Prime Roots never uses artificial colors, flavors, or preservatives. On top of it all they're also a Certified B Corp. Their ingredient list is short, simple and clean. If you want a new sandwich experience, stop by the deli and try one of these amazing Prime Roots offerings."
