PICK OF THE WEEK

**WADE
JOHNSON**
Gourmet Cheese
Coordinator

HALLOUMI \$13.99/LB.

“The classic grilling cheese of Cyprus, Halloumi has an impressively high melting point, and can be cooked over direct heat. Gently brush with olive oil and throw it directly onto the grill! It holds its shape as it turns golden brown and is the perfect addition to kebabs or served with a touch of lemon juice for a salty snack.”

MILTON CREAMERY PRAIRIE BREEZE \$13.99/LB.

Pleasantly sweeter than your everyday cheddar, Prairie Breeze has a creamy yet crumbly texture. As this cheese ages, little flecks of satisfyingly crunchy cheese crystals develop. This outstanding cheddar is fantastic as a standalone cheese or melted on a cheeseburger.

POINT REYES BAY BLUE \$18.99/LB.

Crafted from farmstead cow's milk, Bay Blue gets its distinct flavor from Northern California's unique microclimate with its Pacific Coastal Fog and lush herbs and grasses. This blue cheese packs a dense, fudgy texture reminiscent of Stilton, a rich, buttery paste and a sweet, salted-caramel finish. Great on a cheeseboard with fresh fruit, folded into blue cheese dressing, or on top of steaks on the grill.

SCHWEDHELM**
