MEET THE FISHERMEN WHO BRING FRESH, LOCAL, DUNGENESS CRAB TO OLIVER'S

There is nothing quite like fresh, locally caught Dungeness Crab. Here at Oliver's Market, we all await our first deliveries each year from our fantastic partners at Tides Wharf Seafood with great anticipation. We love savoring our first Dungeness Crab of the season, of course, but we also relish sharing this delicious local specialty with our customers. It's fresh, sweet, delicate, and delicious. There is truly nothing else like it.

While changes in the season make the arrival time a little later than it used to be, it does not change the opportunity to savor this local treasure. New timing provides us with an opportunity to rethink our Dungeness Crab meals to mash up with weekend football games, long holiday weekends, and much, much more.

Join us as we celebrate the arrival of fresh, local Dungeness crab this week at Oliver's!
