CELEBRATING 15 YEARS  
AS A CERTIFIED GREEN BUSINESS!

This year marks an exciting milestone for Oliver's Market - 15 years as a certified Green Business, making us the first grocer in Sonoma County to earn this recognition. Since the beginning, caring for our community has gone hand in hand with caring for our planet, and we're proud to continue leading the way in sustainable grocery practices.

At Oliver's, Earth Day is every day. With a dedicated full-time Sustainability Coordinator, we're constantly improving how we operate, from reducing waste to offering more eco-friendly choices. As a Social Purpose Corporation since 2016, our commitment goes beyond business, we prioritize environmental responsibility and community impact in everything we do.

We also make it easy for you to shop green. Bring your own containers for bulk foods, coffee, honey, or nut butter, or your own cup to the bakery and enjoy a discount. You'll also find reusable, recyclable, and compostable packaging throughout our stores, plus a wide selection of organic products and convenient recycling and composting options.

HAPPY EARTH MONTH!

Earth Day is April 22 (first celebrated in 1970), and we'd love to see you at the Windsor Earth Day celebration on Sunday, April 19, from 10am-1pm on the Town Green.
