## OLIVER'S MARKET CRAFT BREWERY OF THE WEEK

Breakside Brewery offers two distinct West Coast experiences that highlight the versatility of the hop. Bayside is an incredibly smooth, easy-going IPA that uses a lighter malt base to let delicate notes of guava and peach shine without overwhelming the palate. In contrast, The Pursuit, a collaboration with Alma Mader Brewing, is a high-impact brew designed for those who crave maximum hop saturation. It delivers a much more aggressive and concentrated punch of grapefruit and forest resin that stays with you. Together, they represent the full spectrum of the style, from a breezy, effortless sipper to a bold, unapologetic hop powerhouse.
