OLIVER'S WAGYU BONELESS RIBEYE STEAK \$24.99/LB.

"Oliver's Wagyu Boneless Ribeye Steak is one of my top picks when I want to splurge on high quality meat. Authentic Japanese Wagyu cattle bloodlines, exceptional marbling, and rich buttery flavor -- you can't go wrong. My favorite way to cook this amazing steak is to first bring it to room temp before cooking and lightly salt and pepper the steak. I then use my Blackstone Grill on high heat to sear both sides, then move the steak to indirect heat, and pull off when internal temperature reaches 125 degrees. Let it rest ten minutes and serve!"
