MIKE PETERSON,
PRODUCE COORDINATOR

"This is my new favorite melon. I have not had a good Honeydew melon in decades; this is the replacement. Beautiful white flesh, sweet mixture of a Galia and a good Honeydew of the past."

GROWN IN CALIFORNIA

"Probably the most underrated melon we have. This is a great melon that continues to be the most consistent melon in our lineup. To me it's mixture of cantaloupe and honeydew but better."
