PROTEIN POWER UP

A FOOD DRIVE FOR THE

Join Oliver's Market throughout August in supporting the Redwood Empire Food Bank's Protein Power Up food drive! Help end hunger by donating much needed canned meat and seafood.

When protein is the most expensive item on the plate, many low-income people are forced to go without it. Protein is a true superfood, giving kids, seniors, and families the strength they need to take on the day. Canned proteins like tuna, chicken, and Spam are shelf-stable, nutritious, and needed at our food distributions.

The goal is 20,000 cans, the need is great, and every can counts!!

To make donating easy at Oliver's Market, watch for special displays in our stores of Chicken of the Sea Chunk Light Tuna in Water or Oil, 5 oz. Can 4/\$5 for the entire month of August. Deliver your donations to the designated Redwood Empire Food Bank barrels. Thank you!
